Update on Checking Accounts

Jim reported that the checking accounts currently have two signatures: Tim Berry and Jeannie Bennett. Tim Berry has moved and is not available on a daily basis when checks need to be signed and dispensed. The accounts do require two signatures. Jeannie and Tim currently are the only two that have access to the accounts.

Bryan Taylor made the motion to keep Tim Berry and Jeannie Bennett on the account as already established and to add Gary Vaughn, Kay Armes, Rusty Powers and Wendi McNabb to the signature list for signing checks only and to allow Jim Waters, Executive Director, access to all banking activities. The motion seconded by Tonya Guffey. The motion passed unanimously.

The checking accounts will remain with a two-signature requirement and Jim Waters will be allowed to access banking accounts.

Open Discussion

There was no further business.

The motion was made by Gary Vaughn and seconded by Kay Armes to adjourn. The meeting adjourned at 1700.

Respectfully submitted:

Jeannie Bennett, RN BSN
